

ABOUT US

Our criminal division prosecutes misdemeanors and handles protective order matters. Through our paid, 10-week Summer Clerk program, law students gain meaningful hands-on experience within the criminal justice system and in public service.

We are committed to fostering a supportive and challenging legal environment where students build practical skills while advancing our mission of seeking justice in an equitable and fair manner.

ACCOMPLISHMENTS

Since County Attorney Garza's first term, our office has:

- ◆ **Doubled Family Violence Division staff**, increasing resources for our Family Violence Division by almost 50%
- ◆ **Expanded our diversion programs.** We have eliminated fees previously required to participate in these programs
- ◆ **Implemented robust weapon forfeiture program** to track compliance.

Our office is also leading the charge in **implementing a Family Justice Center**, which would be the first in Travis County and the third in the state.
